## **Global Business Process Management (BPM) as a Service**

- BPM is not primarily about these; its purpose is to improve business. If you cannot demonstrate the business value of a BPM effort, go back to the drawing board.
- Processes are a view on organizations, but are an abstraction from reality & do not cover all aspects of a complex system. Don't mix up the map with the territory it represents.

## **Bing: Business Process Management Bpm Fundamentos**

Each department from sales to human resources manages data, paperwork, and other inputs to fulfill their job responsibilities. Business process management (or BPM) systematizes and automates the repeatable tasks clogging your productivity pipeline. Business process management is a crystal clear window into all these disparate activities, bringing together all functions of your organization under a single, automated, process-driven umbrella.
